VOLUNTEER ACTIVITIES			
<p>Seeds of Hope Youth Ranch works with youth from our community ages 5-18. The ranch turns no youth away that want to come to experience our ranch and the horses. All staff that help at Seeds of Hope are volunteers and have a heart for the youth that come. Our goal is for the child to have the best possible experience while at the ranch. Youth volunteers will help with chores, including; manure, cleaning water tanks, garden work, yard work, helping with hay stacking, raking, playing with youth, and brushing horses. Also, the Incredible Exchange volunteers will plan and run a fun day event for youth in our community.</p>
